

## Lyme Splash 2019

Current plans for this further enhanced not-for-profit 2019 tournament scheduled to run over 3 & 4 August 2019 include early morning starts to account for the tides.

Matches will be played on two pitches as usual.

The Lyme Splash website ([www.lyme-splash.com](http://www.lyme-splash.com)) is up and running and entries have been received from 7 teams to date.

To facilitate the two-day timetable and early start requirement, campsite access had been negotiated at Hay farm, where shower and toilet facilities will be available, for £5/night per person plus £1 for use of the shower.

An 'event' is being planned for competitors for the Saturday night at the Lyme Regis Power Boat Club.
