

Swim England Water Polo Leadership Group: Volunteer Competition Planning Lead

- Are you passionate about water polo and want to contribute to its future direction?
 - Do you have knowledge and experience of sports pathways from grassroots to elite?
 - Do you have broad experience of club and competition environments?
-
- Have an open mind, be willing to listen and consider the views and needs of others, whilst constructively challenging the status quo.
 - Show a commitment to promoting equality and diversity.
 - Be able to commit to attending meetings and being an active member of the committee.
 - Have a strong understanding of the relevant areas for the role.
