

To Do / Checklist for All Coaches and Poolside Helpers

All coaches and poolside helpers need a current safeguarding certificate. If you have a valid certificate, remember it needs to be loaded onto your swim England profile by 16 January 2020. This will avoid the need to physically attend a Swim England approved course when it needs to be renewed and instead undertake an online renewal.

To check you current status visit <https://www.swimmingmembers.org>

If you are a member, login;

If not, activate your membership;

Click "Edit Details";

Click "Clubs Information" TAB.

It will show what certification has been logged
