The South West region has no input into the recently confirmed National Age Group Championships dates set by the national governing body. To secure pool time at Millfield, the pool & RTC dates are booked a year in advance, so the late release of the NAGs dates is always a frustration for the regions which has been raised at national level.

To help South West clubs who have entered the NAGs please note the following changes for the remaining two 2019/20 RTC sessions. .

Saturday 7 March (clash with U17 boys NAGs)

5-7pm Session

Pool 1 – Boys and Girls 2007 and younger development session (open to new players)

Pool 2 – Boys 2006 & 2005 Trial for Under 16 Inter Regional Competition (w/e 27 & 28 June at Gloucester)

7-9pm Session

Pool 1 – Girls 2003- 2006 Inc Trial for Under 16 Inter Regional Competition (w/e 4 & 5 July at Blackpool)

The lost session for boys 2003-2004 will be rearranged for later in the year.

Saturday 2 May (Clash with all NAGS finals) – cancelled and rearranged for Saturday 16 May

5-7pm Session

Pool 1 – Girls 2006 and younger development session (open to new players)

Pool 2 – Boys 2006 and younger development session (open to new players)
