

## Wait list for Team Manager 1 webinar

We understand that Team Manager courses in June below are now all full. Please email [volunteering@swimming.org](mailto:volunteering@swimming.org) to reserve a place on the next bank of courses that are released

The dates for the Team Manager 1 webinar, which can be accessed by any category of Swim England members, are:

Wednesday 3 June from 5.30pm to 8pm

Wednesday 24 June from 6pm to 8.30pm

Tuesday 30 June from 1pm to 3.30pm.

Claire Coleman said: "The Team Manager 1 webinar has been a great success in delivering volunteer training and engaging with our members since lockdown commenced. This first step into volunteering gives members the opportunity to understand the requirements of this role, key points in creating and maintaining a safe environment and how to manage situations whilst on pool deck.

### Enthusiasm of volunteers

"The first phase of nationally hosted workshops were booked up very quickly with the first course being full to capacity in 22 minutes. This clearly demonstrates to us the enthusiasm of volunteers to engage with the online delivery."

Following the publication of WavePower 2020-2023, the content of the course has been updated particularly in relation to ratios and the role of chaperone.

Swim England has also incorporated other feedback received over the last 12 months from presenters, clubs and volunteers to address some of the common queries received during the workshop.

If the course is fully booked, your name will be added to a waiting list for the next available dates.

In light of the success of the Team Manager 1 webinar, a working group is looking to transfer Team Manager 2 online in the future.
