

Hygiene Guidance Resources

Sport England has produced [generic resources](#) for the sport and physical activity sector to help stop the spread of coronavirus and keep our environment safe for everyone.

The advice has been developed to help organisations implement good hygiene across their facilities simply and effectively, no matter the activity, sport or venue.

They have been developed with the [Advanced Wellbeing Research Centre](#), the [National Centre for Sport & Exercise Medicine](#), and [The Centre for Behavioural Science and Applied Psychology](#) at Sheffield Hallam University.

Several resources will help you clearly communicate key hygiene messages to people taking part in sport and physical activity. Please download and unzip a large file with [Hygiene Guidance resources](#) (30.37 Mb)

The resources cover

- Keeping a clean and healthy environment
- Promoting hygiene messages including
 - Posters to download and print for use in venues.
 - Stickers you can download and print (at home or via a third party supplier) to attach to the floor to reinforce social distancing rules.
 - Social media assets in the correct dimensions for Twitter, Facebook, Instagram and Snapchat.
 - TV and digital screen content
- Training and coaching
