

Almost a quarter of clubs have completed or begun Stronger Affiliation process

- Club Constitution – an approved club constitution by the region ideally from 2018 Swim England Model Constitution onwards.
- Welfare Officer statement of compliance – signed statement of compliance by the Welfare Officer stating the club is being run in accordance with WavePower 2020-23 guidelines.
- Club Chair statement of compliance – signed statement of compliance that the club is following Swim England Code of Ethics and has role descriptions within the club.
- Risk Assessments – provide Risk Assessments relevant to the activities of your club.
- Club Personnel Report – one document downloaded from the Online Membership System (OMS) giving detail of all club personnel in positions of Governance, Officials, Club and Competition support roles and Coaches and/or Teachers.
- Safeguarding certificate and Time to Listen certificate from Swim England approved course list for Club Welfare Officer.

To start uploading evidence for the Stronger Affiliation process, clubs need to email the Club Development team and Swim England club officers can then activate access to the portal and guide them through the upload process.

Clubs can also email clubdevelopment@swimming.org to register their interest in a national Stronger Affiliation information online workshop which is taking place on Monday 28 September at 7pm.
