

Swim England South West Water Polo Sessions on 17 Apr 2021

- Early Session (5-7pm) Year of Birth 2008, 2009 & 2010
 - As this is the first session of 2021 and maybe the first session ever for some, we would ask that all players arrive earlier than normal. Registration will start at 4.30pm and we ask that everyone has registered and assembled upstairs by 4.45pm so players can be put into groups and receive a briefing from the coaches before the session starts at 5pm.
-
- Late session (7-9pm) Year of Birth 2007, 2006, 2005 & 2004
 - We ask that players have registered and assembled upstairs by 6.45pm
-
- Returning Players
 - A reminder that the deadline for the £70 payment was 30 March 2021 and payment is required prior to attending the first session. If you have not made the payment or made it after the deadline, you will need to either bring £70 cash or preferably proof of electronic payment to show the admin team during registration. Players are not able to pay on a per session basis.
-
- New Players
 - Need to bring £10 in cash when they come to their first session and if then continuing will be required to pay £60 prior to the second session. Payment details will be circulated after the first session.

Covid -19

In line with current Government guidance, all participants - players, coaches, club and match officials, volunteers, spectators (when permitted to attend) etc - should check for symptoms of Covid-19. If an individual is symptomatic and/or living in a household with a possible Covid-19 infection, they should remain at home and follow Government guidance.

Shop

Wyvern swimwear will be holding a small stall outside if you need some new swim or polo gear. There is also an option to pre-order for collection at either the April or May camps depending on availability, please use the link below.
