

## Safeguarding and Protecting Children online workshops

Swim England South West has been able to finalise some safeguarding workshops which will be run online and delivered over the next few months on the following dates:

- 24 May 2021 at 6pm
- 2 June 2021 at 6pm

Further dates are also available on [www.swimwest.org.uk/training](http://www.swimwest.org.uk/training)

Coaches and teachers are reminded that it is crucial for you to attend when working with children and young people. Please book onto a course as soon as you can.

Please complete this [safeguarding booking form](#) fully to book member(s) of your club workforce into one of the above sessions.

A free safeguarding basic awareness workshop has also been developed for volunteers to attend. This isn't a certified workshop and does not replace the need to attend a safeguarding workshop if needed. Read more about [this workshop](#) here.

### Safeguarding Course Fees

**Swim England South West will be reviewing the fees charged for attendance at its Safeguarding courses. Any introduction of payable fees will not occur prior to 1 July 2021 and the new fees will be announced in mid June. Consequently, you are advised to attend a course at your earliest convenience.**

### Time to Listen Workshop

**The next Time to Listen workshop is on Sunday 28 November at 930am ([Booking link](#)).**

All club Welfare Officers must have attended such a workshop. The process to book a place is slightly different to booking Safeguarding sessions.

Please follow the booking link beside the date to book onto that particular session. Each session is limited to 12 attendees. Book your place here.
